

# ABOUT THE FUTURE

A snippet of some of the measures Leo are taking, in line with UN sustainable development goals.

# 2024 PLEDGES

removing swing tickets and replacing them with QR codes.

We will measure our CO<sub>2</sub> scope 1, 2 & 3 emissions to become a Positive Planet certified company.

Changing over to water based inks. Water-based inks are biodegradable, ensuring that printed garments leave a minimal mark on landfill waste

We will expand our charity work into other countries where Leo products are produced..
